A PREMIUM B2B INTERNATIONAL WATER & WASTEWATER EVENT

Transforming Water Challenges into Solutions

The Delhi Water Expo 2026 is India's leading trade event dedicated to the entire water and wastewater industry spectrum. As the global demand for clean water surges, this expo is a vital platform for businesses, experts, and policymakers to collaborate on sustainable solutions. As one of the most anticipated events in the sector, this expo aims to accelerate progress towards sustainable water management through knowledge sharing, technology exhibitions, and networking opportunities.

The Delhi Water Expo 2026 is a definitive platform for the water and wastewater industry, Water Today, in association with the Indian Water Quality Association (IWQA), will organise the event and together are committed to addressing critical water challenges through cutting-edge technologies, industry innovations, and knowledge-sharing forums. This association will bring together thought leaders, technology innovators, solution providers, and policymakers under one roof.

Why This Event Matters?

With water scarcity, pollution, and sustainable management becoming global concerns, the Delhi Water Expo 2026 stands at the forefront of addressing these critical issues. This event will showcase state-of-the-art solutions for water purification, wastewater treatment, desalination, and smart water management, making it a must-attend for professionals and stakeholders invested in the future of water security.

What to Expect at Delhi Water Expo 2026:

■ Pre-Expo Water Conclave Series in 4 Cities:

Ludhiana, Chandigarh, Indore, and Lucknow – engage with regional industries and build market momentum.

■ Connect with Water Utilities, Govt. Dept. & Agencies:

Explore advanced technologies for upcoming projects.

■ Live Product Demonstrations

Highlight performance, innovation, and real-world applications of your solutions.

■ H2O Connect OEM Meets in 3 Cities:

Bhopal, Gurugram, and Delhi – facilitate direct interaction with OEMs, system integrators, and solution providers.

■ Showcase Cutting-Edge Water Technologies:

Provide hands-on demonstrations of your newest solutions and applications for water sustainability.

■ High-Value Networking Opportunities

Interact with consultants, EPC contractors, project developers, and industry stakeholders.

Why Book Your Spot?

■ Prime Visibility:

Secure a booth early and position your brand for maximum exposure in front of a highly qualified segment.

■ Exclusive Networking Opportunities

Engage with key decision-makers, industry professionals, and Government representatives from around 15 states who have confirmed participation through the Indian Water Quality Association.

EXHIBITOR PROFILE

- ✦ Water & Wastewater Treatment Technologies
- ✦ Zero Liquid Discharge (ZLD) Technologies
- ✦ Membrane Technologies (RO, UF, NF)
- ✦ Water Purification & Filtration Systems
- ✦ Pumps, Motors & Pumping Systems
- ✦ Valves, Actuators & Flow Control Systems
- ✦ Pipes, Tubes, Fittings Infrastructure
- ✦ Desalination Water Treatment Technologies
- ✦ Water Quality Monitoring Instruments
- ✦ Smart Water Management & IoT Solutions
- ✦ SCADA & Automation Systems
- ✦ Sludge Treatment & Dewatering Equipment
- ✦ Aeration Systems, Blowers & Diffusers
- ✦ Disinfection Technologies
- ✦ Rainwater Harvesting Systems
- ✦ Groundwater Recharge
- ✦ Water Infrastructure Solutions
- ✦ Irrigation Water Management Technologies
- ✦ Water Engineering & EPC Contractors
- ✦ Water Utilities Providers
- ✦ Environmental Consultants
- ✦ Water Quality Testing Equipment
- ✦ Environmental Monitoring Solutions
- ✦ Industrial Mixers & Agitators
- ✦ Blowers & Aeration Systems
- ✦ Screens, Gratings & Screening Equipment
- ✦ Chlorination & Disinfection Systems
- ✦ Sensors, Controllers & Monitoring Devices
- ✦ Industrial Tanks & Process Equipment
- ✦ Aquifer Management
- ✦ Agricultural Water Management Technologies
- ✦ Municipal Solutions Providers

■ Boost Your Business

Showcase your products and services to a wide segment in water treatment viz; from municipalities to industrial sectors looking for sustainable water management solutions.

■ Industry Leadership:

Establish your company as an innovator and leader in water management technology by being part of this prestigious event.

KEY ACTIVITIES AT THE EXPO

During the B2B expo, several activities will be organized to engage attendees, foster networking, and promote knowledge exchange. Here are some key activities that visitors & participants can look forward to at the upcoming Delhi Water Expo 2026.

International Conference

To feature expert discussions on emerging water technologies and industry trends

Keynote Addresses by Government Delegations

Insight on policy perspectives and national water initiatives by Water Authorities.

CEO Roundtable Conferences

Will enable strategic dialogue among industry leaders and decision-makers

Pre-Expo Water Conclave Series Advantage

Networking across key cities to build industry engagement before the expo

H2O Connect

OEM Meet Benefits facilitating partnerships between OEMs, system integrators, and distributors

Startup Company Participation

Showcase innovative solutions and new technologies in the water sector

Innovation Platform

Highlight breakthrough technologies and next-generation water solutions

Keynote Session

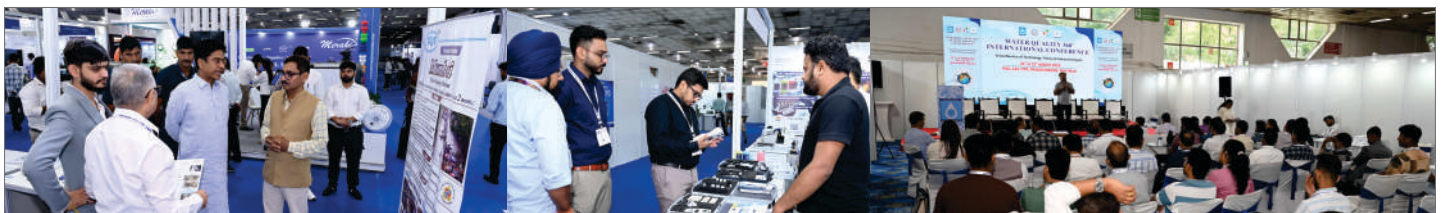

Industry Leaders to present insights, case studies, and best practices

Live Product Demonstrations

Exhibitors can showcase equipment and technologies in action

International Delegation Visits & Participation

To create opportunities for global networking and collaborations

SPONSORSHIPS

Stand out from your competitors at the event!
