A PREMIUM B2B INTERNATIONAL WATER & WASTEWATER EVENT

Shaping the Future of Water Management

The Delhi Water Expo 2026 is India's leading trade event dedicated to the entire water and wastewater industry spectrum. As the global demand for clean water surges, this expo is a vital platform for businesses, experts, and policymakers to collaborate on sustainable solutions. As one of the most anticipated events in the sector, this expo aims to accelerate progress towards sustainable water management through knowledge sharing, technology exhibitions, and networking opportunities.

The Delhi Water Expo 2026 is a definitive platform for the water and wastewater industry, Water Today, in association with the Indian Water Quality Association (IWQA), will organise the event and together are committed to addressing critical water challenges through cutting-edge technologies, industry innovations, and knowledge-sharing forums. This association will bring together thought leaders, technology innovators, solution providers, and policymakers under one roof.

Why This Event Matters?

With water scarcity, pollution, and sustainable management becoming global concerns, the Delhi Water Expo 2026 stands at the forefront of addressing these critical issues. This event will showcase state-of-the-art solutions for water purification, wastewater treatment, desalination, and smart water management, making it a must-attend for professionals and stakeholders invested in the future of water security.

What to Expect at Delhi Water Expo 2026:

■ Cutting-edge Exhibits:

Opportunity to showcase the latest products, technologies, and services in water management, treatment, supply management, leak detection, water quality monitoring wastewater treatment, recycle and reuse and smart water management with IoT, IIoT and AI.

■ Expert Insights

Participate in seminars and discussions led by industry pioneers and policymakers by addressing critical water-related challenges and trends.

Why Book Your Spot?

■ Prime Visibility:

Secure a booth early and position your brand for maximum exposure in front of a highly qualified segment.

■ Exclusive Networking Opportunities

Engage with key decision-makers, industry professionals, and Government representatives from around 15 states who have confirmed participation through the Indian Water Quality Association.

■ Industry Networking:

An opportunity for one-to-one interaction with policymakers, bureaucrats, govt depts and parastatal agencies from nearly 15 states to know about the business opportunities, budget allocations, and future plans of the government in water/wastewater sector. Forge working relationships that can help take your business forward.

■ Live Demonstrations:

Provide hands-on demonstrations of your newest solutions and applications for water sustainability.

- ✦ Water Conservation
- ✦ Water Treatment
- ✦ Water Management Consultants
- ✦ Wastewater Management & Recycling
- ✦ Desalination
- ✦ Effluent Treatment Systems
- ✦ Filtration Equipment
- ✦ Sewage and Sludge Treatment
- ✦ Rainwater Harvesting
- ✦ Demineralisation
- ✦ Cooling Towers
- ✦ Packaged Drinking Water
- ✦ Reverse Osmosis
- ✦ Boilers and Cooling Towers
- ✦ Chemicals
- ✦ Distillation
- ✦ Engineering Companies
- ✦ Environmental Consultants
- ✦ Equipments
- ✦ Instrumentation and Process Control
- ✦ Irrigation Equipments
- ✦ Pipes, Fittings and Valves
- ✦ Plant Builders
- ✦ Project Developers
- ✦ Project Finance Companies
- ✦ Pumps and Motors
- ✦ Research & Technical Institutes
- ✦ Swimming Pool
- ✦ Water Pollution Monitoring
- ✦ Water Purification
- ✦ Water Supply and Services
- ✦ Water Utilities

■ Boost Your Business

Showcase your products and services to a wide segment in water treatment viz; from municipalities to industrial sectors looking for sustainable water management solutions.

■ Industry Leadership:

Establish your company as an innovator and leader in water management technology by being part of this prestigious event.

KEY ACTIVITIES AT THE EXPO

During the B2B expo, several activities will be organized to engage attendees, foster networking, and promote knowledge exchange. Here are some key activities that visitors & participants can look forward to at the upcoming Water Today's Water Expo 2026.

Water Conclaves

Expand Your Reach: Explore New Markets & Generate Leads at One-Day Water Conclaves!

OEM Meet

Connect with Business Partners, Explore Technologies & Unlock New Projects!

WATMAN International Conference

Present successful case studies that show how companies have overcome specific challenges or achieved success using innovative solutions.

Open Door Symposium

A dedicated area where startups or established companies can launch or preview their latest innovations.

Panel Discussions

Experts will discuss emerging trends, challenges, and future directions within the industry

Start-up Pitch

A platform for new entrepreneurs to Launch, demonstrate their Innovations & Connect with Investors!

Roundtable Discussions

Invite CEOs and high-level executives for private discussions on strategy, collaboration, and leadership.

Keynote Session

Feature thought leaders who can provide insights into industry developments, innovative practices, and leadership strategies

Live Demo & Product launches

Live, interactive demonstrations of new products or technologies by exhibitors.

International Delegation Meeting

Arrange meetings with international trade delegations to promote cross-border business opportunities.
